Acknowledging the holding of the first session of the World Urban Forum, a non-legislative technical forum in which experts are able to exchange views in years when the Governing Council of the United Nations Human Settlements Programme (UN-Habitat) does not meet, and the fifth meeting of the Advisory Committee of Local Authorities, an advisory body to the Executive Director of UN-Habitat,

Welcoming the efforts made by UN-Habitat to forge partnerships with other United Nations funds and programmes and with international financial institutions, such as the World Bank,

Conscious of the need to achieve greater coherence and effectiveness in the implementation of the Habitat Agenda, the Declaration on Cities and Other Human Settlements in the New Millennium and the relevant internationally agreed development goals, including those contained in the Millennium Declaration,

Recognizing the need for increased and predictable financial contributions to the United Nations Habitat and Human Settlements Foundation in the new millennium to ensure timely, effective and concrete results in the implementation of the Habitat Agenda, the Declaration on Cities and Other Human Settlements in the New Millennium and the relevant internationally agreed development goals, including those contained in the Millennium Declaration and the Johannesburg Declaration and Plan of Implementation, particularly in developing countries,
