Resolution 22/7: Work programme and budget of the United Nations Human Settlements Programme for the biennium 2010–2011

The Governing Council,

Declaration¹ to achieving a significant improvement in the lives of at least 100 million slum-dwellers by 2020 and in the Johannesburg Plan of Implementation of the World Summit on Sustainable Development² to reducing by half the proportion of people without access to safe drinking water and basic sanitation by 2015,

Recalling also [General Assembly resolution 60/203 of 13 March 2006](#), which called for increased voluntary contributions, and recognizing the continued urgent need for increased and predictable financial contributions to the United Nations Habitat and Human Settlements Foundation,

Taking into account the approved six-year medium-term strategic and institutional plan for the period 2008–2013 as the overarching future strategy for the programme of work, financial and human resources of the United Nations Human Settlements Programme,

Welcoming the progress made to date in the implementation of the medium-term strategic and institutional plan, including results-based management, quick wins and imperative actions listed in the plan, the World Urban Forum, the country activities of the United Nations Human Settlements Programme, the Slum Upgrading Facility, the Water and Sanitation programme and the experimental reimbursable seeding operations,

Having considered the proposed work programme and budget of the United Nations Habitat and Human Settlements Foundation for the biennium 2010–2011³ and the recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,⁴

2. *Also approves* the general-purpose budget of \$66,190,500 and endorses the special-purpose budget of \$95,717,700 for the biennium 2010–2011 detailed in the proposed work programme and budget for 2010–2011;⁵

3. *Further approves* an increase in the general-purpose statutory reserve from \$3,279,500 to \$6,619,500;

4. *Requests* the Executive Director to report, using a results-based framework, on the execution of the work programme against each of its expected accomplishments to Governments through the Committee of Permanent Representatives on a half-yearly basis, and also to the Governing Council;

5. *Also requests* the Executive Director to continue the full implementation of the approved six-year medium-term strategic and institutional plan;

6. *Further requests* the Executive Director to ensure timely and close consultation with the Committee of Permanent Representatives during the preparation of a prioritized, results-based strategic framework and the work programme and budget for the biennium 2012–2013, both aligned with the approved six-year medium-term strategic and institutional plan;
