Resolution 22/10: World Urban Forum

The Governing Council,

Recalling paragraph 10 of its [resolution 18/5 of 16 February 2001](#) in which it requested the Executive Director to promote a merger of the Urban Environment Forum and the International Forum on Urban Poverty into a new urban forum, with a view to strengthening the coordination of international support to the implementation of the Habitat Agenda,

Recalling also [General Assembly resolution 56/206 of 21 December 2001](#), and in particular paragraph 3 of section B, in which the General Assembly decided that the Forum would be a non-legislative technical forum in which experts could exchange views in the years when the Governing Council of the United Nations Human Settlement Programme did not meet, in addition to subsequent calls by the General Assembly for all Governments to participate actively in the sessions of the World Urban Forum,¹

Recalling further [General Assembly resolution 31/140 of 17 December 1976](#) on the pattern of conferences, in which the General Assembly decided that the United Nations bodies may hold sessions away from their established headquarters when a Government issuing an invitation for a session to be held within its territory has agreed to defray, after consultation with the Secretary General as to their nature and possible extent, the actual additional costs directly or indirectly involved,

Recalling the invitation by the [General Assembly in its resolution 58/226 of 23 December 2003](#) to donor countries to support the participation of representatives from developing countries, and also its [resolution 62/198 of 19 December 2007](#), by which it called upon donor countries to support the participation of representatives from developing countries, in particular the least developed countries, including women and young people, in the Forum,

Noting with appreciation the successful organization of the fourth session of the Forum, held in Nanjing, China, from 3 to 6 November 2008, and the growing interest of the global community in the World Urban Forum, as demonstrated by four successive successful sessions of the Forum and the increasing participation of Governments and Habitat Agenda partners from all regions, which has made the Forum the foremost global arena for interaction between policymakers, local government leaders, non-government stakeholders and expert practitioners in the field of human settlements,

Noting also with appreciation the report of the Executive Director on the fourth session of the World Urban Forum, 2

Noting further with appreciation the financial and in-kind contributions made by a number of Governments and Habitat Agenda partners to help in the preparation of the fourth session of the World Urban Forum,

Noting the establishment of a World Urban Forum unit within the secretariat of the Governing Council to enhance the coordination of the preparation and conduct of the Forum,

Reiterating the objectives of the World Urban Forum as contained in annex IV to [the report of the first session of the World Urban Forum, held in Nairobi from 29 April to 3 May 2002](#),
