THIRD KUWAIT MASTER PLAN

3KMPR 3KMPR

14-1-

STATE OF KUWAIT

KUWAIT MUNICIPALITY

3KMPR 3KMPR

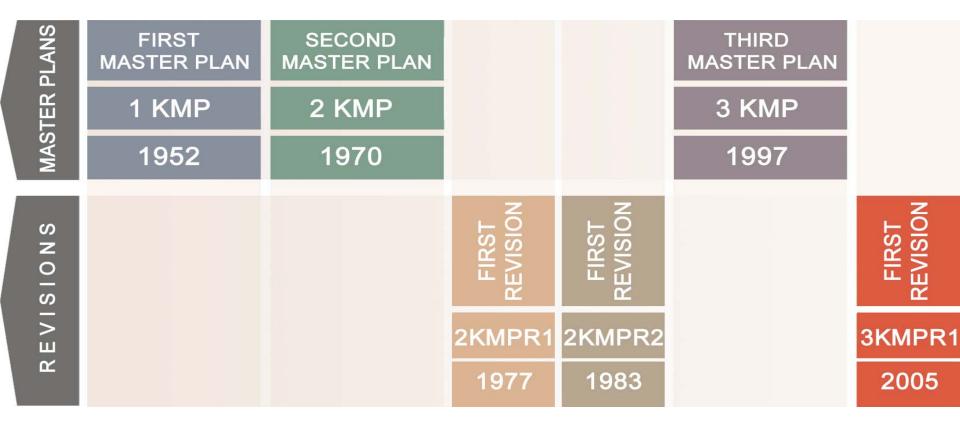

The Master Plan functions at three planning levels: the National level, the Metropolitan Area level and the Kuwait City level.

Kuwait City Level	Metropolitan Area Level	State Level
Kuwait City Structure Plan	Metropolitan Area Structure Plan	National Physical Plan Strategy

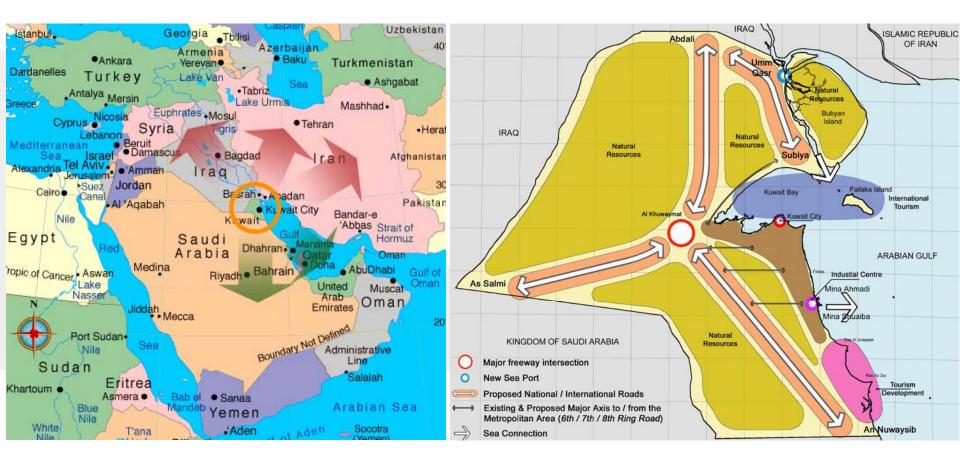

Kuwait was one of the first countries in the Middle East to prepare a master plan for its State.

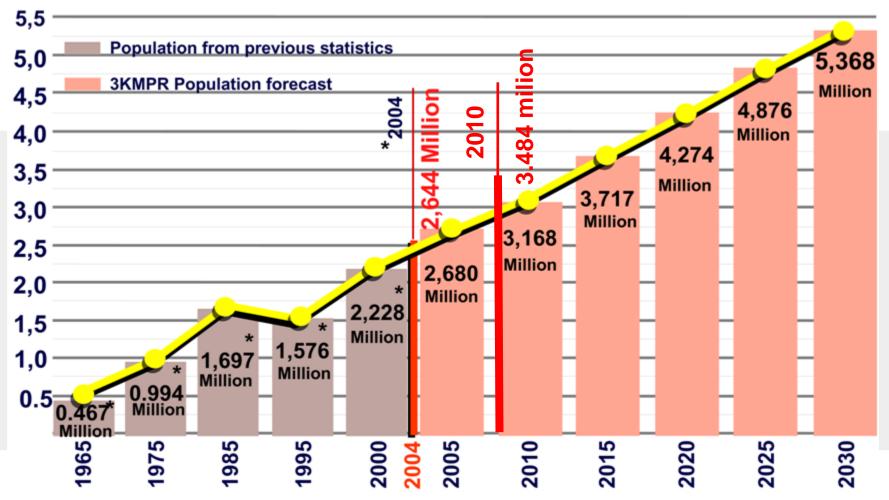

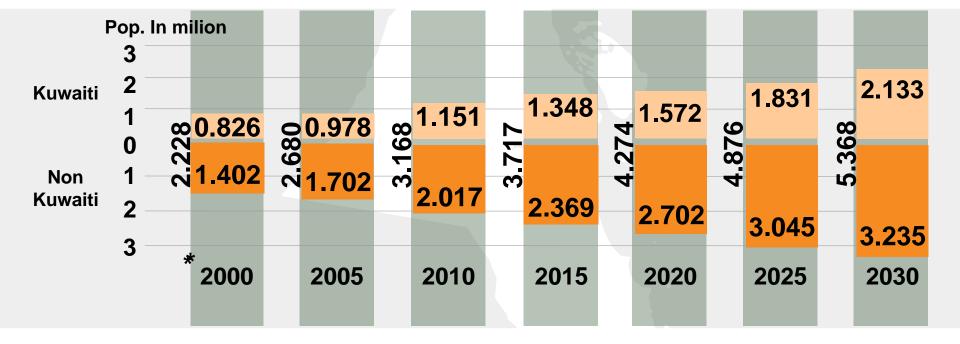

The formulation of the National Physical Plan Strategy builds on the potential of the international strategic location of Kuwait between the G.C.C. in the south, and Iraq, Iran, and the south west Asian countries.

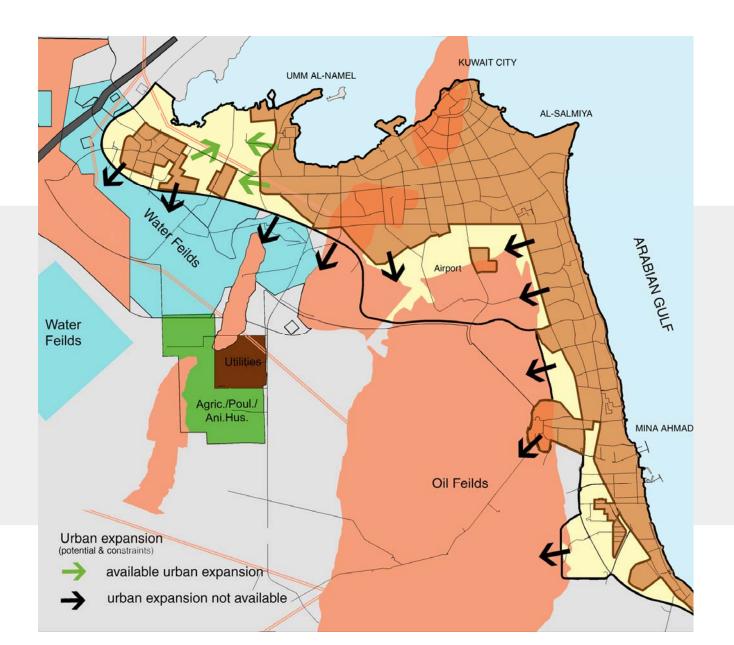

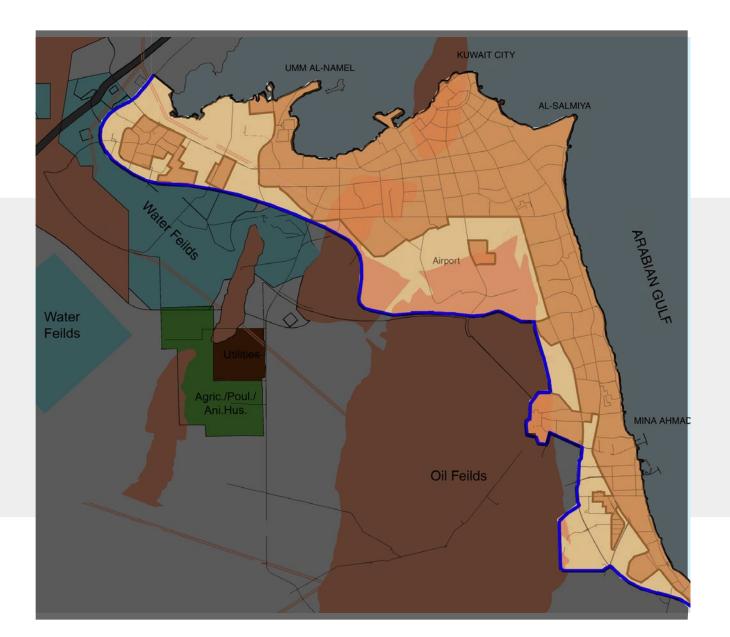

Population (Million)

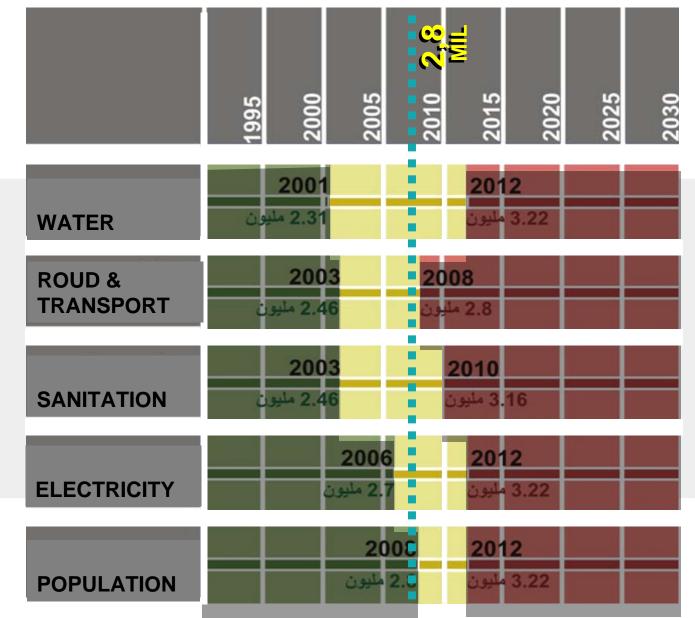

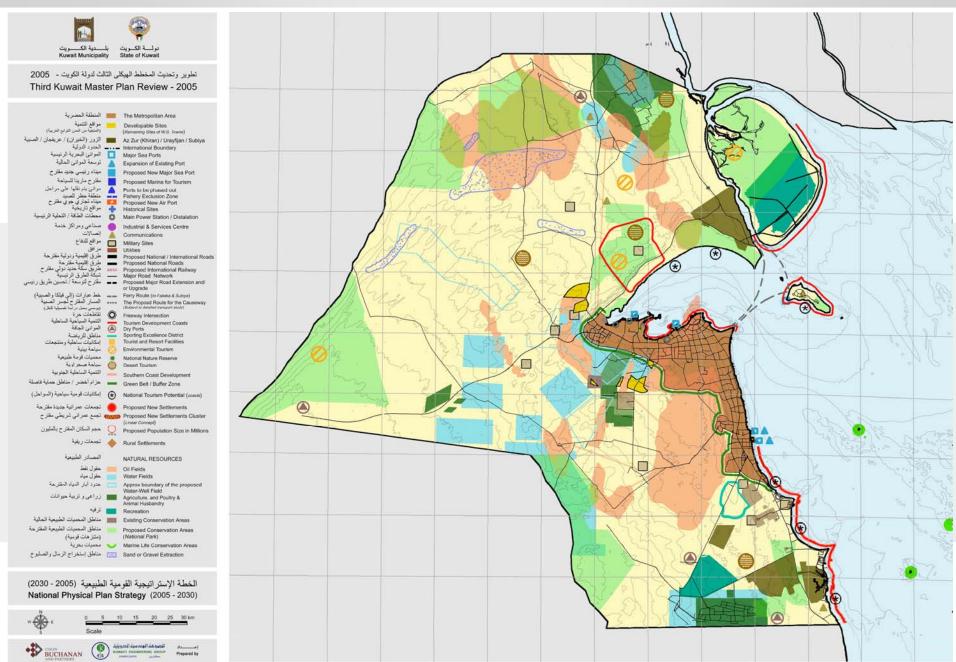

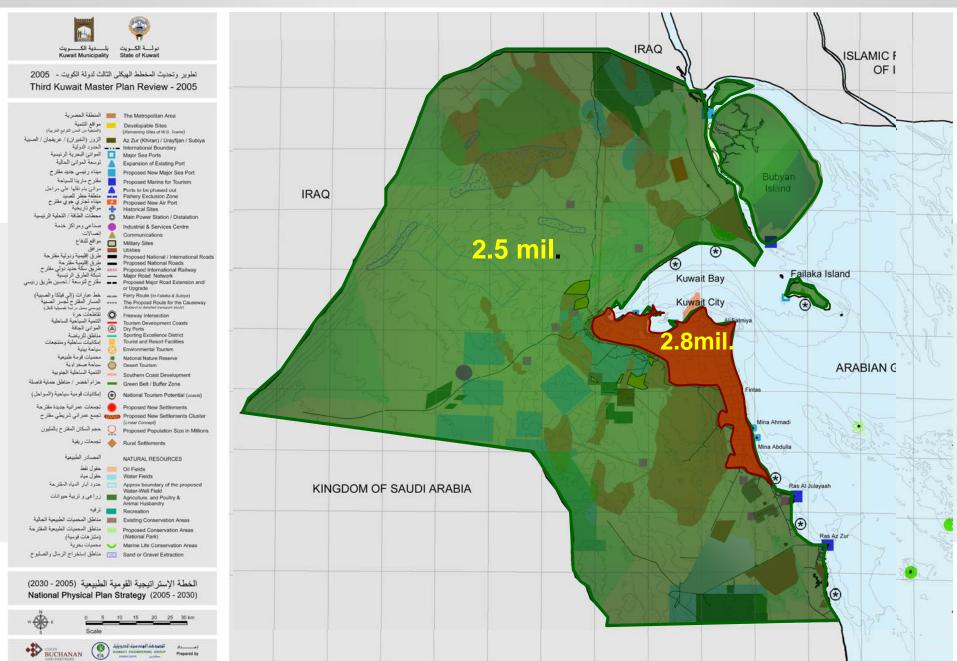

Facilities and Services

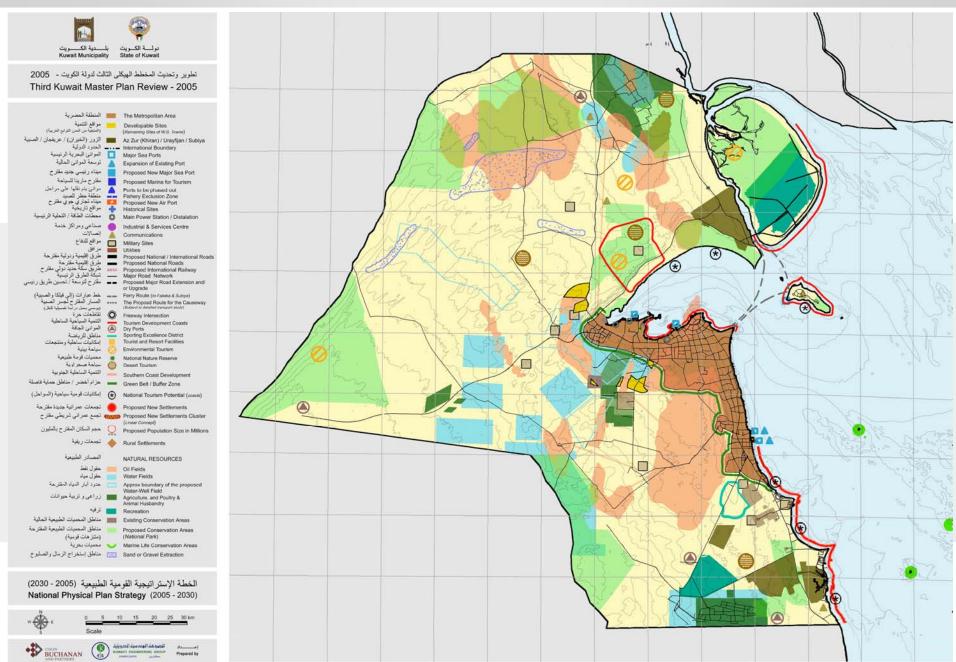

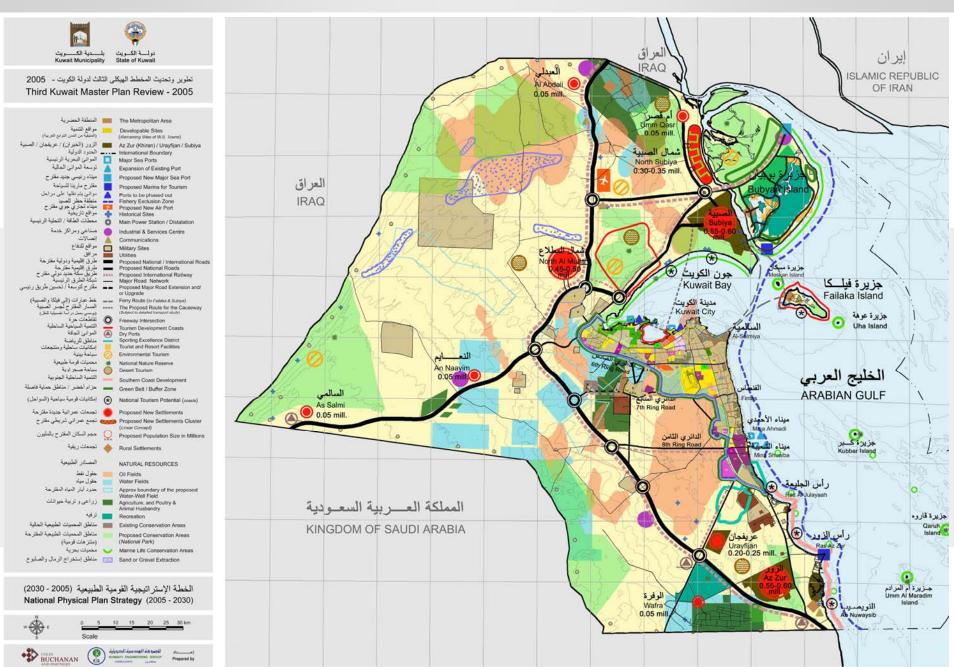

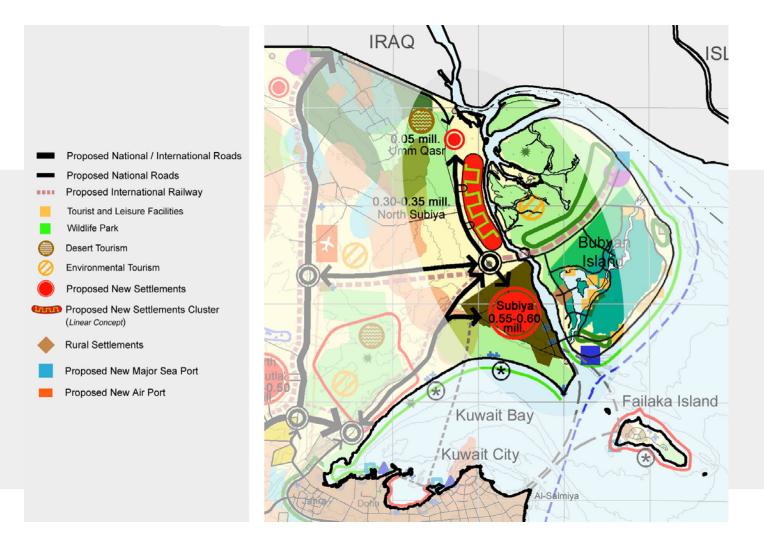

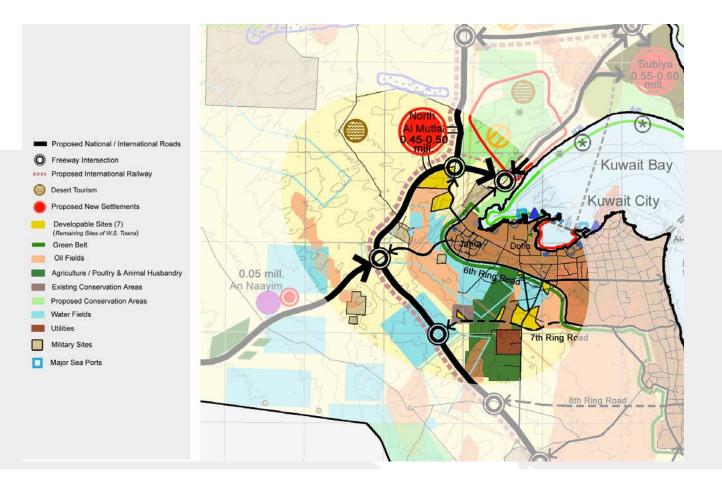

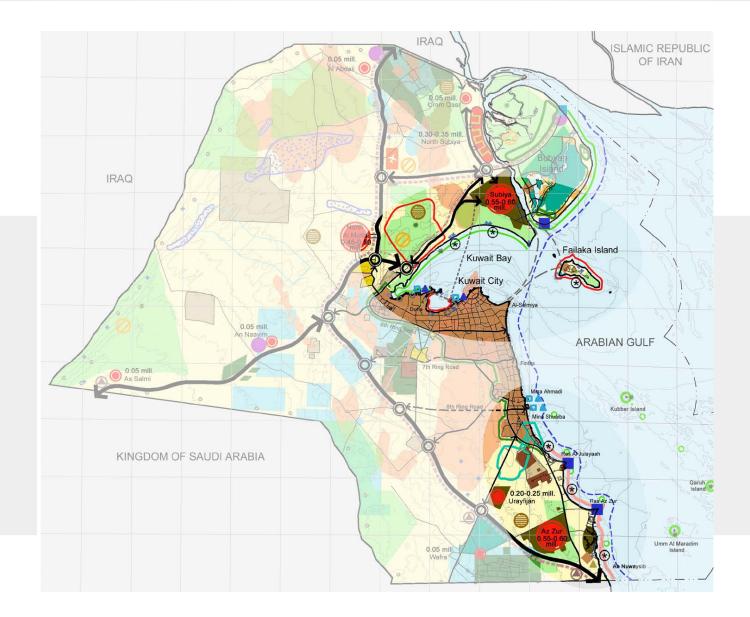

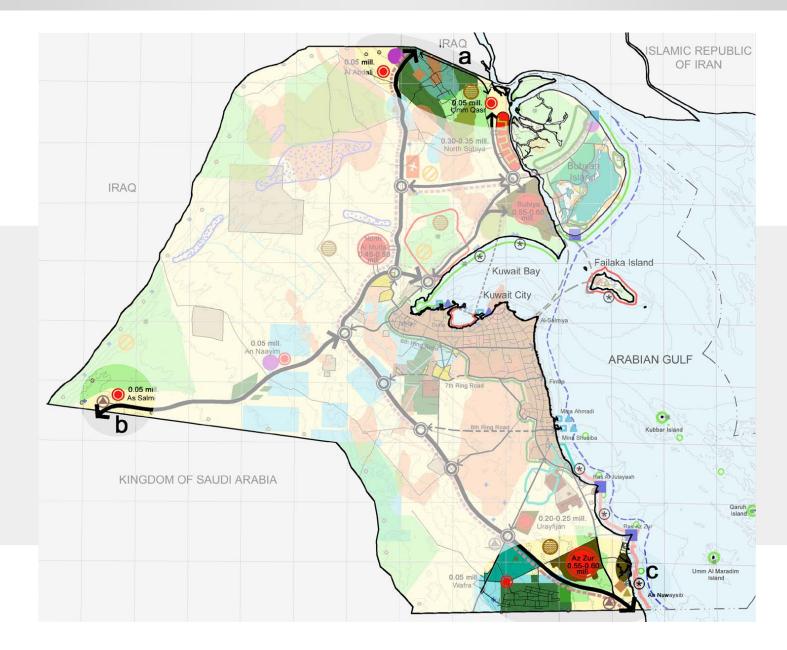

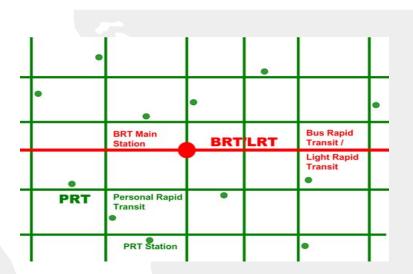

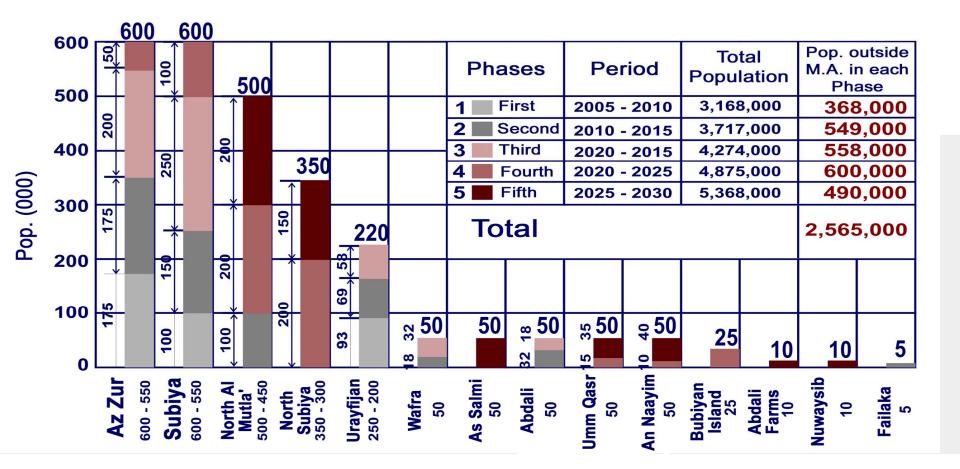

The National Strategic Plan proposes a modern regional public transportation network
