Priority Countries	<p>Approximately 40% of Italian aid is distributed to the 49 countries that the UN classifies as Least Developed Countries. Italian assistance is divided geographically based on the priorities set periodically by the Ministry of Foreign Affairs and generally stable in the medium-term. The division is roughly as follows:</p> <ul style="list-style-type: none"> • Sub-Saharan Africa 40% • Middle East and North Africa 25% • The Balkans 12% • Latin America 15% • Asia 8% <p>As regards the funds administered directed by the Ministry of Foreign Affairs, over the last three years approximately 60% was allocated through bilateral channels and 40% through multilateral channels.</p>

<p>Priority Areas/Themes</p>	<ul style="list-style-type: none"> • principles of good governance (i.e. respect for human rights, rule of law and administrative transparency); • Consistency between the various development policies: trade regulations and advantageous markets open to developing countries (in the wake of the "Everything but Arms" initiative adopted by the EU); debt sustainability, official assistance, promotion of direct foreign investments; • coordination between national and multilateral donors to avoid contradictions in allocation of resources; • complementarity between activities in favour of healthcare, education and human resources training, food assistance, rural development, SMEs and infrastructure development and protection of the cultural heritage; • collaboration between country systems through, particularly, NGOs (horizontal cooperation), local government (decentralised cooperation), business (multinational cooperation as well as, first and foremost, SMEs), and universities (inter-university cooperation), to transfer know-how to developing countries and bring in precious human resources for field training and good governance. <p>Italian Development Cooperation policy is divided into the following areas to implement this commitment:</p> <ol style="list-style-type: none"> 1. Poverty Reduction 2. Action Plan for Africa 3. Sustainable Development 4. Global Fund to Fight AIDS, Tuberculosis and Malaria 5. Education 6. Food Security and Combating Rural Poverty 7.
