

World Urban Campaign Events Calendar

Event Details

Event Title: Shelter Academy

Date & Time: 15-17 August 2011 (tbc)

Venue Name: tbc

Address: tbc

City: Amsterdam

State/Region:

Country: The Netherlands

Description

Adapting to climate change brings with it many challenges. Central to addressing these challenges will be in learning how better understanding of *how* the issue of global climate change can be used to benefit developing societies; combining economic social and environmental issues into a balanced development. The Academy will focus on concrete situations based on participant case studies.

Participants will have the opportunity to increase their knowledge on responding to general urban challenges. Support will be given in the development of action plans for each participant and it is hoped that participants will be inspired by the solutions discussed.
