

My City

tell us the **GOOD**
the **BAD** and the **UGLY!**

The theme for this year's World Habitat Day is Better City, Better Life. Tell us the good and the bad things about your city and you could be the lucky winner of a prize!

Deadline for submission **31TH October, 2010**

Age: Country:

City: Are you boy or girl?

Which city has the biggest population in the world?

- Lagos
- Mexico city
- London
- Tokyo

What is your idea of a safe city?

- You can walk outside safely without worry about thieves and robbers
- You can play all day
- You can have many friends
- You can play late at night too

My City

tell us the **GOOD**
the **BAD** and the **UGLY!**

How can a city take care of the environment?

- Have a lot of cars for everyone
- Recycle waste and protect trees
- Have special roads for bicycles
- Keep the street lights on day and night

What is a rich city?

- A few people own everything
- Most people have a job
- Most people cannot pay to live in a good house
- All children can go to a good school

What is a nice city?

- There are parks and green areas to play
- You have to walk really far to get clean water
- There are bad smells in the neighbourhood
- There is light in the streets and in homes at night

My City

tell us the **GOOD**
the **BAD** and the **UGLY!**

How can we make our cities better?

- Throw rubbish out onto the streets
- Help our neighbour when they have a problem
- Do not talk to children of a different colour or who speak a foreign language
- Share what you have with your friends

What do you hate about your city?
