<b>Academic curr.</b>				

**Capacity Building** was prioritized by all four countries particularly:

- The adaptation and translation of tools into French and Arabic for both regions respectively; and,
- ToT on the use of the tools

**Financial Mechanisms** was prioritized by three countries, requesting:

- The identification of funds,
- The facilitation of access to funds
- The establishment of contact with potential donors.
- One country proposed a training for local officials in the field of finances and funding.

Two countries demanded support in the field of **legislation** to implement existing legislation.

Continued **Technical support** from SCP/LA21 and HPMs was requested by Morocco and Egypt.
